ACADEMIC AND TEACHING EXPERIENCE

Assistant Professor — Journalism and Mass Communication

2024 – 2025

Amity University, Gurugram, India

- Designed and delivered undergraduate and postgraduate teaching in media production, journalism, communication, branding, advertising, and public relations.

- Provided academic mentoring, research supervision, and student evaluation across multiple modules.
- Contributed to departmental research culture through peer-reviewed publication activity, conference participation, and scholarly engagement.
- Supported curriculum development and programme review activities within the School of Journalism and Mass Communication.

Assistant Professor — Journalism and Mass Communication

2021 – 2024

AAFT, Asian Academy of Film and Television (Marwah Studios), India

- Taught Journalism, Digital Media, Advertising, and Media Studies at undergraduate and postgraduate level.
- Ranked 3rd among Top 10 Faculty Performers across the institution; awarded Top Performer Award 2024.
- Designed assessment frameworks and delivered curriculum development activities aligned with industry and accreditation requirements.
- Organized and chaired national academic conferences, press conferences, and large-scale academic events, managing delegate communications, logistics, and stakeholder engagement.
- Provided academic mentoring and pastoral support to undergraduate and postgraduate students, supporting research project development and employability outcomes.

Assistant Professor and Programme Coordinator — Journalism and Mass Communication 2018 – 2021

KCC Institute of Legal and Higher Education, GGSIPU, India

- Delivered undergraduate teaching in journalism, mass communication, and media studies, achieving 100% student pass rates in all assigned modules.
- Served as Programme Coordinator (2018 to 2020), providing oversight of curriculum delivery, timetabling, student outcomes, and academic administration across the programme.
- Designed and implemented student support strategies contributing to measurable improvements in academic attainment and engagement.
- Built partnerships with external media organizations and community bodies to enhance the student learning experience.

Assistant Professor — Journalism and Mass Communication

2017 – 2018

Fairfield Institute of Management and Technology, GGSIPU, India

- Delivered undergraduate teaching in journalism, mass communication, and media practice as part of the GGSIPU-affiliated programme.
- Supported curriculum delivery, student assessment, and academic mentoring across first and second year cohorts.
- Contributed to departmental events, student engagement activities, and institutional media initiatives.

INTERNATIONAL AND CONFERENCE ROLES

Country Coordinator

Ongoing

World Conference on Media and Mass Communication (MEDCOM) — International

- Represents India at international academic forums including MEDCOM World Conference, Bangkok, coordinating cross-border scholarly participation, delegate communications, and outreach.
- Manages relationships with global research institutions, cultural organisations, and academic partners within the MEDCOM international network.
- Supports conference grant coordination and international academic communications across a multi-country scholarly community.
